Assignment 5

Storage and dispensing:

On board, who has permission to dispense medicine?

May crewmembers bring their own medicine?

If a crewmember bring his own medicine, where should the medical officer register this medicine?

Find Technical Regulation at DMA homepage:

- [Notice A from the DMA, chapter A IX B, 1 September 2007, examinations, medical care and ship's medicine](#)
- [Order Amending the Order on Notice A IX B. Order no. 892 of 25 June 2018](#)

Did you know?

Organise treatment of the sick and injured person on board Danish flagged ships in accordance with; what we, colloquially call “Technical Regulations”

The proper and full name is:

[Notice A from the DMA, chapter A IX B, 1 September 2007, examinations, medical care and ship's medicine](#)

NOTICE

This 2007 version is still valid **EXCEPT regulation 5.**

The new regulation 5 you find in the amending order:

[Order Amending the Order on Notice A IX B. Order no. 892 of 25 June 2018](#)
